SUBJECT.

Allocation of the officers of the Press and Stationery Department in the new grades sanctioned for them.

Serial No. (1)

G.O. no Fl. 3261-3/P&A 13.5-34-2 dt 2.10.34 revising the scale of pay of the Officers of the Govt Press

Extract from the ~~above~~ file in which the above orders were issued

"To the Estt. Branch for kindly issuing orders re appointments & promotions & retirements of the following Officers"

2) Submitted with a draft note for Consideration. W.S. 10/10

3) Draft for approval. 6/10

The pay that Messrs. Venkatasubbarao & Krishnamurthy have to draw in the new grade will have to be fixed. The Dev. Secy has recommended at paras 19 & 20 of the note (Page 10) in the linked file that Mr. Venkatasubbarao may be given Rs 250/- in grade 200 — 40/2 — 400 and that Mr. A. Chetty may also be given the same pay as a year hence. This may perhaps be approved.

now and should be given an initial Salary which is now ... under the ordinary rules and should not be given the Special Concessions or Special advance increments. There has been ~~not~~ no stagnation in their case as the Br. Venkatasubba Rao reached 250 Rs only on 1-1-33 and the B. Krishna Murthi Chetti was given a Special increase of pay from Rs 190 to Rs 250 on 7-3-33 and has been drawing Rs 250 since 7-3-33. ~~& ...~~ therefore no grounds for Special treatment right.

They can both start on an initial Salary of Rs 240 + PA: 10 and after putting in 2 years thereon get the next increment of 20.

If we give them advance increments, other Officers in similar posts promoted to new grades in other departments in the Revised Scales will also ask for similar treatment and very heavy extra Expenditure will result. It is therefore necessary to avoid inconvenient precedent and Extra Cost to give initial Salary Rs 240/10 in accordance with the rules in applying the revised Scales of pay.

8/ Reckoning the salary as 250 Rs pay or Rs 240 pay + 10 Rs Personal Allce is for all practical purposes the same and the latter is suggested ~~because~~ according to article 85(b) of S R, so as to ~~have~~ have the pay at one of the stages of the incremental appointment. The conversion proposed does not prejudice them in any way.

in convenient precedent - as it will have to be followed in all other cases of the kind occurring on the various departments the introduction of new scales. In any case, such as this is about, in the case of Venkata Subba Rao it is quite necessary in the case in which the officer has received a substantial increase of pay from 190 to 250 on 7.3.33. and may well be required to earn increments in the advancing course in the new grade -

2) If some concession is considered desirable necessary I would suggest the following. As the officers are now getting 250, the amount they have to earn to reach the next stage is 30 Rs - As they earn 40 Rs in 2 years, they may be allowed to earn 30 Rs in 1½ years - i.e. they may be allowed to earn an increment and reach the next stage of 280 in 1½ years after getting into the new grade instead of in 2 years -

Since the date Mr Puttaiyya went on leave there was a vacancy of Asst Supd which Mr Puttaiyya will be given when Venkatasubba Rao has the benefit of the reorganisation. This will enable him to draw the next increment about 4½ months earlier vide also Para 9 of GI Secy's notes.
